

Constant Innovation

## Cranes

Automated Gantry and EOT cranes for better performance as per your requirements.

We manufacture and supply specialised cranes with no man operation. We have special solutions for your complicated applications fitted with artificial intelligence.

Constant Innovation

## Pre Engineered Buildings (PEB)

Have special PEB requirements that no one else will do?

We take up total responsibility from understanding complicated requirements of customers to commissioning of the project.

Buildmate can do it on EPC basis.

Design, Facilities and Erection of total structures as a complete solution
